

# The power of learning!

The cooperative is awarding 40 scholarships — \$3,000 each — to service-area students graduating from high school or accredited home study programs.

● **20 for trade and technical schools** ● **20 for colleges or universities**

*Connected to the community*

Get applications/details from area high school counselors, Bluebonnet's member service centers or at [www.bluebonnetelectric.coop](http://www.bluebonnetelectric.coop) — just click on the Scholarships link under Need to Know. Application deadline is 5 p.m. March 20.
